INFORMATION DISCLOSURE STATEMENT

MAIL STOP AMENDMENT
Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner is respectfully requested to consider the references, listed on the attached Patent and Trademark Office form PTO-1449, which may qualify as prior art. Copies of non-patent literature documents are enclosed.

References known to the applicants have been listed on PTO-1449. That information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed no fee is required for this submission. If this is incorrect, please deduct the appropriate fee from deposit account 07-1969.

Respectfully submitted,

Gary B. Chapman
